The Year 2021 in Review

By Jerry Sauvé

2021 was the year of recovery. That's not to say that we don't need to stay vigilant and continue to practice good habits. However, there is light at the end of the tunnel. COVID numbers are trending downward, vaccines are readily available, and we are beginning to return to the new normal. At Lake Clarke Gardens, your Board of Directors and Property Manager have worked hard to keep everyone safe and, at the same time, continue to provide the level of service that you've come to expect.

During the past year LCG has hired a new Property Manager, a new Controller, and a whole new office staff. This was not to say that there weren't some rough spots along the way, but the result is a strong new beginning for LCG as we move into the new year.

LCG continues to be on a strong financial course and the maintenance of the property continues to improve. Here are some of our accomplishments this year:

- Fund Balance Moved to Reserves
- Increasing Building Reserves
- PPP Loan Fully Forgiven
- Increased Property Values Due to Excellent Management and Maintenance

Thanks to the recent institution of Common Area Reserves and negotiated contract with Atlantic Broadband, these projects were completed without Special Assessment:

- A new well by Building 7 (\$14,405)
- New landscaping along Arabian (\$1,440 plants, Stump grinding \$1,989)
- New palm trees by the Canal (\$6,781)
- Two new pool heaters at the East Pool (\$10,881)
- New refrigerator in the Auditorium pantry (\$700)
- Speed signs on property (\$11,000)

Let's hope for the best in 2022 as Lake Clarke Gardens continues to move forward. Your Board of Directors, Property Manager, and Staff wish you the best in the New Year.

BOD Meeting Highlights
December 14, 2021

NEW BUSINESS

Vote to Ratify to Cancel Security Providers of Florida. The security company has been eliminated due to poor performance.
Motion approved unanimously

Motion to Move \$50k of Contingency Money to Recerves for Period 7/1/2020—6/30/2021.
Motion approved unanimously

Vote to Implement Amended Policy for Use of Card Room/Kitchen/Auditorium. See page 8.
Motion approved unanimously

Motion to Implement Amended Policy for Bus Trips. See page 9.
Motion approved unanimously

Motion to Implement New Service/ESA Animal Policy. Identification tag of a design to be approved by the BOD must be visible at all times when a Service/ESA animal is outside.
Motion approved unanimously

Motion to Implement Grill Use Policy. See page 9.
Motion approved unanimously

Motion to Implement 10 Minute Parking policy in Front of Office. See page 9.
Motion Approved 6-1

Discussion of Shop Key Policy. The BOD is looking into placing a key box in the exercise room that would allow the Shop to be used on Saturday.

Motion to Suspend Voting Rights of Delinquent Accounts of more than \$1,000.
Motion approved unanimously

Discussion of Election Process. Owners need to sign up to be eligible for electronic voting process. Paper ballots will still be available. See pages 5 and 6.

Discussion of New Signage. New signs have been proposed for the pool areas to replace the old ones.

Discussion of Bocce Ball Court. Bids have been submitted for the cost of replacing shuffleboard court(s) with a bocce court. BOD will check with our attorneys to see if there needs to be a membership vote.

WELCOME New Owners

- 6-204 Linda Schoop** *From Miami, FL*
- 8-305 Michael & Sirpa White** *From Lake Worth, FL*
- 14-306 George & Joy Chonko** *From Michigan*
- 17-303 Karen Katz** *From Pennsylvania*
- 23-109 Apostolos & Asimina Koufis** *From New Jersey*
- 26-106 Shirley Souto** *From New Jersey*

Use Care Around Grills

Please be careful not to put hot refuse in the trash containers. This was caused by a resident disposing of wood chips used to smoke meat. Even though the chips were watered down before disposal, they continued to smolder and eventually caught fire.

Property Manager's Report

As we move into 2022, I want to thank you all for a wonderful year! Despite some of the challenges we have faced along the way, the past 7 months here at LCG have been wonderful. I look forward to working with all you for many more!

As most of you may recall the Board passed a resolution back on May 11, 2021, adopting electronic voting and participation for association meeting and elections. Lake Clarke Gardens will be offering two ways to vote during the 2022 Annual Election: paper ballot and electronic voting. The Second Notice of Annual Meeting and Election of Directors of Lake Clarke Gardens package (including envelopes and instructions on how to submit your BALLOT) will be mailed out very shortly to ALL unit owners. Unit owners should expect to see them delivered to their official BILLING ADDRESS on file with Management as well as via email. We will have extra packets at the Management Office in the event you are not at your "official mailing address " and for your convenience. If you choose to vote electronically you MUST consent to electronic voting by submitting a consent form to Management prior to voting online. Please contact the Management Office if you have not done so or want to confirm we have your consent form on file. We can send and receive these forms electronically. Please remember during voting not to submit a paper ballot if you have or will be voting online as your paper ballot will not be counted.

Electronic voting increases membership participation and significantly reduces the labor involved in tallying paper votes. Members can cast their votes from the convenience of their home, office, or anywhere they have access to an internet connection. This will increase the participation in voting from many of our unit owners who are not currently here due to various reasons—one major reason being COVID restrictions. The votes are tallied electronically, making the process faster, more accurate, and less prone to human error. Overall, electronic voting eliminates typical errors and judgment calls associated with manual paper votes.

If you have not submitted your consent to electronic voting and/or consent to receive electronic notice of meeting please do so as soon as possible. You may pick up a form at the Management Office or request one via email.

Pets are not permitted on the Lake Clarke Gardens property at any time. However, in accordance with Fair Housing Amendments Act and ADA, the Association offers reasonable accommodations for those individuals in need of a Service Animal or Emotional Support Animal, provided that appropriate documentation is presented to the Association. We understand that many owners purchased a residence at Lake Clarke Gardens due to the strict policies regarding

animals. We will be implementing the new pet tag policy at the beginning of the new year. All animals that have been approved by the Association will be provided with an LCG Tag. These tags will be required to be visible on the pet's collar when on LCG property so that they are easily identified as approved Service Animals or Emotional Support Animals. They must be updated annually.

Between purchase, rentals, resident and architectural applications, the Management Office receives several applications each day.

(Continued on page 7)

Guidelines for Elections

Mission – Introduction

LCG BOD, the administrative office staff and the Election Committee must remain impartial and transparent at all times during the election process. This should help us achieve a harmonious atmosphere during the election process.

Election Committee

The Election Committee shall consist of a chairperson and any number of election officers in good standing as prescribed by the LCG BOD.

Election Chairperson

The Chairperson shall be appointed by resolution of the BOD. The Chairperson will then appoint the committee. The duration of the Chairperson's mandate is one month prior to election period starting process until one month after the date of the voting day. He or she may be removed and replaced at any time for cause by the BOD. Anyone interfering or disrupting the chair or members of the committee during the Annual Meeting as votes are being counted may be subject to a fine.

Mandatory Declaration – All members of the Election Committee

Before assuming duties, all members of the Election Committee shall make, in writing, a solemn declaration, in the prescribed form by the BOD, that he or she will exercise the powers and perform the duties of the office in an impartial manner. That they will not communicate or use personal information obtained at that time other than for a purpose in performing those duties.

Candidates Canvassing

Canvassing is allowed by Florida statute. Suggested canvassing hours are between 9:00am to 7:00pm. All candidates running for the board & going door to door will be allowed to have only 1 person to accompany them. Canvassing is not allowed in front of, or in the LCG office.

Candidate Meetings

Official Candidate Meeting

Only one official candidate meeting will be scheduled during the election campaign. It should be held in the auditorium and be a structured question /answer session with questions from the attendees. If there are too many candidates to comfortably give each a reasonable time to answer the questions, then a second meeting shall be scheduled.

Campaign Meeting (by candidates)

Should candidates wish to schedule a campaign social event, such candidates must present their request to the Election Committee. That submission should be made 72 hours prior to the date of the event, in order to advise the administration, post the information 48 hours prior to the event and reserve the meeting room, pool or other gathering area.

Paid advertisement

Promotion/Advertising etc...

All election advertisements, irrespective of when they are published, must also obtain the Election Chairperson's initials before being distributed or posted anywhere on LCG property. All postings must include the name of the person that has initiated or instigated them and must be signed and dated by that person. Any anonymous letter or document will be revoked and destroyed. Distribution of such documents is prohibited. The LCG Facebook page, Newsletter, and web site of LCG cannot be used to promote a candidate.

Electronic Voting

THE ULTIMATE ELECTRONIC ASSOCIATION VOTING SOFTWARE

This year's Annual Meeting will take place on February 8, 2022 at 7:00pm in the Auditorium.

Thank you for choosing eVote Max to cast your membership vote online! Now that you have made this choice, let's go over a few steps to make your online voting process as easy as possible.

Please make sure your consent form is on file with the Association. Also, make sure that the person voting is the spouse/partner who is listed on your condo Voting Certificate to cast the vote for your unit. You must register online before you can vote, even if you previously registered to vote Online in a prior election.

Please click the **Voter Registration** tab on the top of the eVoteMax homepage at www.evotemax.com.

- Enter your first name and your last name. Enter your LCG street address. Enter your unit number (do not include words or special characters i.e Apt or #). Enter 33461 as your zip code. Click *Continue*.
- You must use the email address you provided to Lake Clarke Gardens in the form you filled out to consent to Online voting.
- When you register, a unique PIN # will be emailed to you. You will be asked to create a password and to answer some security questions so your PIN # and Password can be emailed to you in the event you cannot remember them.
- Write down your PIN # and Password as you will need them later to sign on again to the eVotemax website to cast your vote.

Now that you have your PIN # in hand you can proceed to cast your vote. Please click on the **Cast Your Vote** tab on the eVotemax homepage and follow the instructions. Type slowly. Make sure you have confirmed with your spouse/partner that only one of you is casting your vote. **If two votes are cast for your unit, they will both be rejected.**

Be sure to click on and review all the materials accompanying your Online vote. **If you are casting an online vote for an election of directors, your vote is final and irrevocable just as it is with the current paper balloting system.** For other types of votes, but not for a condo election, your vote can be changed until the question is called at the meeting.

After the vote is closed, you will be able to view the final vote tally Online by clicking on the Vote Results tab on the top of the eVoteMax homepage and you will receive an email receipt for your vote showing how you voted.

If you run into problems at any point during the Online voting process, please contact eVotemaxCustomer Service line at 973-361-8788 or alex.stal@eopayappservices.com.

Voting Code of Behavior

With the LCG elections taking place next month, this is a good time to remind everyone of the State law regarding election procedures. In order to have a fair and honest election, please review the information below.

The Florida Statutes (F.S.) provides specific processes and procedures relating to condominium association Board member elections. These rules have been established to ensure fair elections and to provide all unit owners interested in running for a seat on the Board the opportunity to do so.

Under the new Condo Law, if there is a forged ballot or voting certificate in a condo election, then it is a crime punishable under F.S. 831.01, the state criminal law against forgery, which states:

"Whoever falsely makes, alters, forges or counterfeits a public record, or a certificate, return or attestation of any clerk or register of a court, public register, notary public, town clerk or any public officer, in relation to a matter wherein such certificate, return or attestation may be received as a legal proof; or a charter, deed, will, testament, bond, or writing obligatory, letter of attorney, policy of insurance, bill of lading, bill of exchange or promissory note, or an order, acquittance, or discharge for money or other property, or an acceptance of a bill of exchange or promissory note for the payment of money, or any receipt for money, goods or other property, or any passage ticket, pass or other evidence of transportation issued by a common carrier, with intent to injure or defraud any person, shall be guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084."

718.112 Required Provisions—

A unit owner may not permit any other person to vote his or her ballot, and any ballots improperly cast are invalid. A unit owner who violates this provision may be fined by the association in accordance with s.718.303.

If you observe any violation of these rules, you are asked to contact the office immediately. Your identity will not be revealed to the offending party. Elections are taken seriously.

Thank you for your cooperation.

(adapted from *Florida Condominium Association Advisors and About Florida Law*)

Property Manager's Report

(continued from Page 4)

We ask that you be conscious of the time frame it takes to approve the various applications. Purchase, rental, and resident application take up to 30 days to approve. The Architectural Review Committee will try to review and approve these applications as quickly as possible, within five to ten business days. Please submit one application per requested improvement or change. Each application must be filled out completely or it will not be accepted. We will contact you if there are any question pertaining to your application and once it's been approved.

We have two new additions to our Office Staff, Kelly & Alyssa. They joined the team at the beginning of December and have settled right in! Please feel free to stop by and introduce yourself.

We are all looking forward to kicking off 2022! Along with all the new hopes and promises that the New Year brings, it also presents more opportunities to work together.

Wishing you a very happy and successful year ahead!

Family Owned and Operated

Amended Auditorium/Card Room/ Kitchen Use

Purpose: To set a procedure for the use of the Card Room or Auditorium by owners and residents of LCG.

Explanation: The Card Room and Auditorium are Association property and are owned by each unit owner. Therefore, as owners of the property it is only reasonable that the owners can use their property at no cost.

Procedure: To reserve the Card Room or Auditorium, a unit owner must be in good standing. When a unit owner or resident wants to use the Card Room or Auditorium, they must go to the activities office and reserve the room, using the attached form. The owner agrees to the following stipulations:

Owners and residents must not use the Auditorium or Card Room if the sole purpose is for the benefit of persons outside of LCG. Examples of events that will not be approved for use include Grandchildren's birthday parties, baby showers, Christenings, Bar Mitzvah's, a relative's wedding reception and other similar events.

Only one of the two venues, (Auditorium or Cardroom), are allowed to be reserved on the same day. This allows for the other venue to be used by residents for card playing, dominoes, etc.

Dates and times will be scheduled on a first come basis.

Requests to reserve the Cardroom or Auditorium shall be submitted through the Activities Office well in advance of the event with a two-week lead time required.

Events sponsored and scheduled through the Activities Office take priority over private events for use of either the Auditorium or Cardroom.

All ticket sales for events scheduled for LCG residents must be coordinated through the Activities Office.

The owner or resident reserving the room must be present at the scheduled event, and at least half (50%) of attendees must be Lake Clarke Gardens residents.

Owners and/or residents are not allowed to reserve the Auditorium and/or Card Room for events to make a profit or schedule events for personal gain. No donations or ticket sales at the door.

If the event takes place during the week, our staff will organize the tables and chairs according to a floor plan you provide on the attached form at no charge. The office will provide a layout diagram for the room you need set up. If the room(s) need to be set up on the weekend, there will be a \$100.00 fee for our staff to do the set up.

The kitchen area is available to the unit owners or residents when either room is in use.

This agreement is for the use of the Auditorium, Card Room, and/or kitchen only. The event must be contained within the specified area and does not permit the use of outside areas or other LCG amenities (i.e., putting green, shuffleboard courts, ping pong area, swimming pool, etc.) Any unauthorized use of these areas may result in the forfeiture of the security deposit. Children attending events must be properly supervised by adults at all times while on LCG property.

Amended Bus Policy

The bus is available for residents of LCG and their guests. The use of the bus must always be coordinated through the Activities Office. The Activities Office must coordinate with the Property Manager to ensure a bus driver is available for the trip.

Regularly scheduled trips that occur every week at the same time during business hours, i.e., Publix, Walmart, Breakfast Club, Lunch Bunch etc. are posted on the monthly activities schedule and no special approval is required from the office.

On days that have events already scheduled in the morning i.e., Publix, Walmart etc., additional trips may not be scheduled until the regularly scheduled trip is completed. Usually at least 12:30 PM.

A minimum of six (6) LCG residents are required for special event type trips that take place during regular business hours. A minimum of fifteen (15) persons are required for any after hours or weekend trips requiring time and one-half payment to the driver.

Bus trips that are scheduled during or extend into non-business hours that require payment of time and one-half to the driver, (after 4:00 PM weekdays or on Holidays or weekend days), will require a non-refundable fee of \$10.00 to be paid by each person. This fee will be collected by the Activities Office at the time the person signs up for the event.

Scheduled trips must be within fifty (50) miles of LCG.

When arranging an after hours trip (after 4PM or weekends) the coordinator of the trip is responsible for ensuring one of our bus drivers is available and willing to do the trip. Must also be approved by the Property Manager.

Our drivers are compensated at regular time during their normal work shift. After hours and weekends, they are compensated at time and one-half. They are required to punch in and out to validate hours worked.

Driver tips are appreciated. However, they are optional.

Any questions on scheduling trips that are not clearly defined above shall be coordinated and approved by Activities Office Committee Chairman, Director in charge of activities or LCG Property Manager.

Vehicle Parking Adjacent to LCG Office Building

There are five (5) vehicle parking spots located directly outside the LCG Office. These parking spots are reserved for those persons conducting business at the LCG office. They are designated for short term parking, (10 minutes), and "Office Parking Only" between 8:00 AM and 4:00 PM weekdays. Violations will result in ticketing and may result in towing of the vehicle in violation at the owner's expense.

Use of LCG Barbeque Grills at East and West Pool Areas

The Barbeque Grills at the East and West Pool areas are available for the use of all LCG Owners and Residents. The grills are fueled by propane gas and are intended to be used as propane gas grills only. No foreign flammable materials are to be introduced into or on the grilling surfaces, i.e. charcoal or wood chips, in attempt to turn them into "smoker" devices or charcoal grills.

Shower Before You Enter the Pool

by Allan Boroday

Showering before swimming is one of the best ways to protect yourself and other swimmers from recreational water illnesses. Only 30% of us always shower before a swim. That means a lot more people need to spend a lot more time in those showers. Here's why you should always shower before and after recreational water activities.

Chlorine kills, but only sort of. In swimming pools, hot-tubs, and water parks, chlorine is used to kill and oxidize harmful bacteria and germs such as E-coli. Chlorine is a highly effective disinfectant. However, the chemical doesn't work on everything. And, chlorine doesn't work instantly. It takes chlorine anywhere from 1 minute to several days to work, depending on the agent. For examples it take 10 days for chlorine to kill the harmful parasite *Cryptosporidium*.

When chlorine mixes with our bodies organic matter it can create a more toxic agent called halogenated by-products (HBPs). This is another reason why public pools recommend showering before swimming.

Showering helps remove sweat, lotions, sunscreen, bacteria and organic matter. This means the chlorine in the pool won't have to work as hard, and more illnesses can be prevented. The *U.S. Centers for Disease Control and Prevention* (CDC) estimates that on average, people have about 0.14 grams of feces on their bodies. Swallowing even a small amount of water contaminated with feces can make you sick. So by not showering, you put yourself and others at risk of contracting a recreational water illness.

Showering after swimming is just as important. Post-swim showers ensure you leave bacteria behind. Showering immediately after recreational water activities helps remove bacteria from your skin's surface and your hair.

Adapted from theswimguide.org

Proper Bathing Attire

By Allan Boroday

Who cares what I wear in the pool? What difference does it make? A lot! Proper swimwear must be designed for swimming and made of Lycra, spandex, nylon, or neoprene.

Pool patrons often ask, "Why do I have to wear proper swimwear?" Here are just a few reasons why it is important to only wear pool attire in the pool:

- *Street clothes (especially cotton) can transport airborne and ultimately water borne contaminants into the pool.*

- *Swimwear worn for exercising prior to using the pool is unsanitary. Soiled clothing can create an unhealthy swimming environment.*

- *Lycra and Nylon are the best non-absorbent material for swimming and are the best fabrics for proper swim attire.*

- *Absorbent materials (such as cotton) can break down in the water and cause fibers to clog filters. Cotton and similar materials can absorb the chemicals in the water, causing the water to become less effective at maintaining the proper chemical balance or may cloud the water.*

- *Any "colored" material (unless specifically made for swimming) can bleed into the pool, affecting water chemistry and balance.*

So, next time you head to the pool, remember to wear proper attire!

Adapted from Stan State University Swim Attire Code.
