Association Reserves Email:

Iris,

Good morning, and thank you for your patience. I have reviewed the existing agreements that we have with Lake Clarke Gardens, and our fee for converting the existing Reserve studies to comply with the new structural Integrity Reserve study requirements would be \$500 per report. If you can please confirm approval to proceed based on that number, I can send you a formal proposal and we can begin that process. Please let me know if you have any questions, and I hope you have a nice holiday weekend.

Thank you,

Will Simons, RS, EBP
